AMEC wishes to express its sincere thanks and appreciation to the Government of Malaysia for recognising the courier express service industry as an essential service category and considering to prioritise our industry as frontliners during this COVID-19 pandemic.

As an association that champions the needs of the industry, AMEC will continue to play its part as the podium for industry players to express their views and proposals for submission to the related government agencies. AMEC will also engage in many beneficial activities and organise programmes for its members and industry in the near future.
